December 2, 2007

Dear Friends & Family,

We hope this letter finds you well as the holiday season is now upon us! We have so much to be thankful for and we are thrilled to share that, thanks to your prayers and support, we are well on our way to raising the needed financial support to get us to Sudan.

Support Update:

Recently, we raised the minimum needed for our upfront costs and can shift our focus to raising the rest of the needed monthly donations. We are currently at 30% of our monthly support. Thank you for walking with us through this experience.

However, there are other one-time items that would greatly increase our ministry impact. We ask that you would consider making an 'end of the year' donation to help us be more efficient and impactful on the mission field.

Sudan Awareness:

We know many of you have been speaking with your friends, families and churches on our behalf. Thank you for all of your support. Many new relationships and partnerships have been built through your friendships. Please continue to talk with those in your circles about us and Sudan. We would love to visit with a small group of your friends, a bible study, a Sunday school class or a community group to inform and educate on the progress both spiritually and physically in Sudan.

As you may have seen in the news, things in the north and south are starting to heat up and we urge you to be in prayer everyday for Sudan and for our brothers and sisters working to spread His glory during this difficult time. Most people familiar with the situation speak in terms of 'when' they go to civil war again, not 'if.' Continue to check our blog for updates and prayer requests.

Prayer Support:

SIM's motto is 'by prayer' and they really mean it. We depend on your spiritual support for our ministry. Please be in prayer for us, specifically for:

- Continued dependence and reliance on God
- Baby M's arrival is Dec 28th
- For His peace that is beyond all understanding works throughout Southern Sudan to maintain peace during this fragile time for the country

In Him,

Taylor and Allison Martyn
